1953 HICKORY LOG

PUBLISHED BY SENIOR CLASS
CLAREMONT CENTRAL HIGH SCHOOL
HICKORY, NORTH CAROLINA

who have guided us . . .

Since we took our first toddling steps until now, when we, as seniors, take upon ourselves the responsibilities that come with adult life. We all look to you, Mom and Dad, as the influencing factors in our lives, and, for this reason . . .

to you this book is dedicated . . .

With grateful appreciation for the helping hands you have given us throughout our school years. This year we are especially indebted to you for passing the heavier school tax, which, though an added burden to you, has greatly improved our schools and in this way has helped us to better prepare ourselves for the future.

FOREWORD

Our only regret is that we can put down in pictures and words but a small part of the ways that our parents have molded our lives. As a result of the new school tax bill we have new lockers to grace the halls, an audio-visual aids room with newer and better equipment, a guidance program for all H.H.S. students, new dressing rooms in the gym, and the larger and better equipped administration offices.

It is our hope and aim, therefore, that in the years ahead all H.H.S. students will remember those little intangible things given to us by our parents as well as the things we have mentioned in this, our 1953 Hickory Log.

POWERS THAT BE . . .

Our far-sighted Board of Education, chosen by Hickory parents and taxpayers with the welfare of the students in mind, has done much this season. The painting of our school building, the modernization of the grammar schools, and the building of the new Junior High School are a few of the decisions for which students, teachers, and parents are grateful.

This board, composed of seven members, elected every four years, handles other pertinent school affairs, including the election of teachers, principals, and the superintendent.

The School Board is indeed a vital part of our community, one which takes an active part in furthering the preparation for adult life for all students in Hickory schools.

Left to right: Mr. Clarence Howard, Mr. Everette Eckard, Dr. Shuford Abernethy, Mr. Otto L. Bowles, Mr. Norman Hutton, *Chairman;* Mr. R. Glenn Abernethy, Mr. M. E. Rink, and Superintendent W. S. Hamilton.

SUPERINTENDENT

In addition to his duties performed in co-operation with the School Board, Superintendent W. S. Hamilton also directs educational policies followed in the Hickory schools. These policies include teacher rating, textbook selection, and other matters which affect all the local educational functions.

Mr. Hamilton became Superintendent of Hickory City Schools last year, but already he is well known as a friend to teachers and students, a friend who is constantly working to make this a most effective school system. Though quite busy with these matters, Mr. Hamilton still finds time to take part in our community life belonging to the First Methodist Church, the Rotary Club, and other prominent civic organizations.

We feel quite fortunate in having so versatile and civic-minded a person in our schools, and we hope that this outstanding educational leader will be with us for many more years.

BUSINESS MANAGER

General business manager of the Hickory city school system is Mr. Harold Hewitt, who has filled this position for the past four years. Mr. Hewitt, a graduate of Newton Business College, is in charge of the bookkeeping and payrolls for the city schools.

PRINCIPAL

W. D. Cottrell, principal of Hickory High School, has come of age, so to speak. For twenty-one years he has been head of this institution; and, as H.H.S. has grown, so has Mr. Cottrell grown, keeping abreast of the times and developing our school into a modern, efficient institution.

Few Hickory High students realize the problems which arise daily, and the immensity of the task with which our principal is confronted, but we are sure that he acquits himself excellently in handling every problem.

Thousands of students have left the schoolrooms of Hickory High School during these twenty-one years. They have gone into adult life better equipped for having attended this school under the guidance and direction of W. D. Cottrell, principal.

SECRETARY

Miss Eleanor Hull, a '52 Hickory High graduate, is secretary to Mr. Cottrell. She held this position last year while finishing her high school education and returned this fall for full time work in the new administrative offices.

Mr. Walker—It just *can't* sound that bad!

Dad,

what do you know about algebra?

It's a good thing you remember some of the algebra you took in school, Dad, because you've been able to help me every now and then when the going got rough. (Even if income tax problems still leave you stumped.)

You help me too, Mom—listening painfully to my oral reports and helping me with Home Ec. You both helped me in many intangible ways telling me to "keep trying" and to "do my best" when I didn't quite make the honor roll.

I have never told you how much these things have meant to me, but I have thought about it quite a lot.

ANNE WILFONG *handles the acid gingerly as lab partner Mary Elliot shies away from their Chemistry experiment--and its results.*

ANN ECKARD *directs the "Madrigals" during "Christmas in England," presented by Miss Corpening's English IV students to the school assembly.*

What is Hickory High? It's football games and open house, chapel on Tuesdays, sixth period study hall, the Beauty Contest, geometry homework, play rehearsal, homecoming, the Junior-Senior, Christmas vacation, six-weeks exams, lunch at the CB, Saturday night dates, Y club initiations, basketball practice, four years of hard study, and finally graduation. As seniors, we have experienced all these things; and though some of them may have seemed insignificant at the time, they constitute the things we will remember as the "best years of our lives!"

The definition of a typical junior: One who, like Bill Baird is doing here, rushes away from the school at the first sound of the 3:15 bell.

Marie Abernethy and Frances Robinson read for a part in the Junior Play as Mrs. Robert Brown, director, and other aspirants listen intently.

The thrill of becoming an upperclassman comes only once—and that's in our junior year. Until now we have been H.H.S. students, and that's just about all. Now, as members of many various organizations, we have a voice in the way our school is run. With these added privileges also come added responsibilities—getting the quota of *Twig* ads, conducting morning devotions over the P.A. system, soliciting money for the March of Dimes, announcing on the radio program, decorating for the Junior-Senior, and serving as Junior Marshals. There are more privileges--and more responsibilities—coming to us in our senior year, but these are enough to keep us busy for the present.

Chlorophyll comes out of something when Mrs. Lackey's third period biology class conducts one of their regular experiments, this one on photosynthesis.

Money may not grow on trees, but it's well spent when it's buying a Twig subscription, as these Juniors in Mrs. Allison's home room are doing.

Members of Mr. Jones' home room enjoy the Christmas party they gave themselves, but Joe Frye seems more interested in the photographer than the food.

Sophomores Yolanda Frye and Betty Ruff buy cookies and fudge at a bake sale sponsored by Miss Greever's home room to raise money for the March of Dimes.

For two years now we've been the youngest class at Hickory High. Last year we were freshmen, just beginning our high school careers. This year, since the new Junior High has taken over the ninth grade, we are still deprived of the honor and respect that come with having another class below ourselves. Despite this, our lives are a lot busier this year as sophomores. We have geometry, our second year in language, health classes again, and the beginning of our club life in English clubs, language clubs, F.H.A., F.T.A., and many others. All this is fine, but we do have one complaint. It really gets our Irish up to be called *Freshmen* again!

It's not all dancing and parties. There are also the long hours spent studying in the library with a book in one hand and your head in the other.

Coach Barger's and Coach Mitten's second period health classes practice the "Texas Star" for a chapel program of old-fashioned barn dances.

assembly of good fellows

At first I was confused by all the clubs and organizations at Hickory High, Mom, but you told me that each one had a purpose and something to offer its members. You didn't say anything, Dad, but you looked proud when I received my first club pin.

You told me that the friendship of fellow students and the knowledg that I was helping others through the time and effort I spent in club ties would brighten my hours and those of others, as well as dev personality to the fullest. I didn't tell you then, but I and that's why it meant so much to me when I was

When members of the Student Council return to school a day or two before school opens, many and varied jobs await them. The Council is busy with registration at the beginning of the school year. As the football season rolls around, Council members are faced with the job of getting ads for the programs and then selling the programs at the games. The football team is fed by the Council after each home gome.

Each year the Council publishes a student handbook and a student directory which contains the names, addresses, and telephone numbers of all Hickory High students and teachers.

Conducting all class elections, running a lost and found department, welcoming new members of the student body, and taking charge of assembly programs constitute the busy program of Student Council members.

Mr. Gene Miller Adviser, and Council Members Marie Abernethy, Sue Newton, and Peggy Honeycutt count ballots after the sophomore elections.

The lower house of Hickory High's government body, the Student Council, is the Home Room Representatives Club. This organization consists of students, one elected from each home room, who bring to the Council worthy suggestions made by students. Also the members acquaint the home rooms with the actions and projects of the Student Council.

Perhaps the most important way in which the Club aids the school is in calling the home of each absentee to ascertain the cause of absence in order to maintain better attendance, thus promoting satisfactory progress in school work.

"YOU'RE THE TOP . . ."

Each year Hickory High juniors anxiously await the announcement of the new Beta Club members, who will also serve as the Junior Marshals in the spring. These junior Beta Club members are assigned the all-important duties of ushering at the Senior Play, at the Baccalaureate service, and at the graduation exercises proper. Two Chief Marshals, one boy and one girl, are chosen by the group in general for the purpose of leading the cap-and-gown seniors down the aisle to receive their diplomas.

The Junior Marshals are selected from the Beta Club members on the basis of their scholastic ability, character, and leadership aptitudes.

Founded to stimulate effort, reward achievement, and to encourage and assist its members to continue their educations after high school the Beta Club plays an important part in our school itself.

Membership is based on good mentality and character, creditable achievement, and commendable attitude.

The club plays an important part in the annual March of Dimes drive, soliciting donations both at school and elsewhere in the city.

BRAINSTORMS AND

Anna Gordon Lewis, Assistant Editor of the Log, *and Editor-in-Chief Claire Johnson have a conference with the "dummy."*

Amazing as it seems to the Log staff, few H.H.S. students realize that this 1953 Log was thought of even before the 1952 issue was in their hands. Ideas and rough sketches in the spring became concrete plans during the summer, and a complete page-by-page "dummy" when school started again in September. During the fall some of the material was gotten together and put in finished form.

BUSYBODIES TOO

At the same time the members of the business staff were busy getting ads and balancing the books. The final scramble as the deadline approached ended with a wonderful feeling of getting rid of the thing. Another Log, number twenty-eight, now has been published. Next year's issue is already in the minds of next year's staff, and so the endless cycle begins once again.

Ervin Huffman, Business Manager, and Beverly Brown, Assistant Business Manager, make the layout for one of the most important sections in the Log*—the advertisements.*

"TWIG AWARDED

Editor-in-Chief of the Twig O'Neal Sikes works hard to add the finishing touches to the Twig's latest scoop.

The *Twig*, published bi-weekly, is the newspaper of Hickory High School. Printed commercially by the Hickory Printing Company, the *Twig* is engineered in the editorial capacity by Mrs. Burch Allison, and in the business capacity by Mrs. Earl Reese. The energetic and hard-working members of the *Twig* staff have raised its standards to a point that it is noted for its make-up and content in many of the schools throughout the nation.

"Good morning! Welcome to Quill and Scroll time." This familiar phrase is heard each Saturday morning over radio station WIRC as the "fourth estaters," better known as "Quill and Scroll" members, go on the air.

This weekly radio program is among the numerous projects carried on by the Quill and Scroll. Others of paramount importance are the scrap book of Hickory High School activities and the eagerly anticipated "Twirp Dance" (the woman is requested to pay), held in the spring of the year.

To be accepted as a member, a person must be recommended by his teachers for outstanding work on either of the school publications and must maintain a high scholastic average.

Bobby Lefevers, Peggy Brown, and Jack Finegan take their turn as student announcers on the weekly radio program, "Quill and Scroll Time."

The members of the Monogram Club might be called the school's representatives to the public because they, in their play, exhibit the character of the school.

Membership is open to all students who have received a letter from participation in some phase of school athletics.

The main project of the club this year is buying a radio for the activity bus. The necessary funds are secured by means of "Tag Day" and by the members selling programs at the basketball games.

With its purpose in mind "to improve and advance sportsmanship at Hickory High" the club continues to grow and become more active year by year.

The desire of many girls at H.H.S. is to become a member of the Tri-Hi-Y because its name is synonymous with trust, dependability, and cooperation. Those girls who become members indeed feel that their hard work and time spent studying in training school was not in vain when they participate in an impressive induction ceremony.

In their work throughout the year they see how much better it is to give and to help than to receive. Watching the eyes of underprivileged children light up at the Christmas party, or hearing the little colored children's gay laughter at the annual Easter Egg Hunt is more than enough reward for all their work.

The Beta Tri-Hi-Y, which is composed of junior girls, and the Alpha Tri-Hi-Y, composed of senior girls, each send representatives and their presidents to the "Y" Council, which is the coordinating body of the four "Y" Clubs. The Council has the job of making and directing all long-range plans and projects of the four clubs and straightening out any problems which may arise.

A feeling of fellowship such as the Tri-Hi Y Clubs give to the H.H.S. girls presents them with the opportunity to make new friends, to develop their talents and ideas, and in so doing help make Hickory High a better place in which to study and, sometimes, play.

"In Hi-Y we are one." This is not only part of the Hi-Y hymn but one of the evident principles of these clubs. As the members help others in their many service projects, they indeed become closer to each other and closer to carrying out the purpose of their club: to create, maintain, and extend, throughout the home, school and community, high standards of Christian character in service.

To become a member of this organization applicants must attend training school, pass their examination, and receive a good rating by both teachers and other "Y" Club members.

This Santa Claus will remain forever unidentified, so as not to disappoint any of the underprivileged children who enjoy the annual "Y" Club Christmas party.

It is truly an honor to pass the requirement for Hi-Y membership, and the boys who do realize the responsibility they have taken upon themselves when they take part in the candlelight induction services. In all phases of school life they must try to live up to their platform clean speech, clean citizenship, clean sportsmanship, and clean scholarship and to set an example for others.

The Hi-Y, too, joins with the Tri-Hi-Y's in varied projects including the annual Christmas party for underprivileged children and the Easter Egg Hunt for the little Negro children.

The satisfaction of unselfishly helping others is indeed ample reward for each member of the Christian organization.

IT MAY NOT BE SOUSA'S,

So strike up the band! And whether it be on the parade ground, on the football field, or at pep rallies you can almost feel the spirit of Hickory High instilled in the students by the music of the H.H.S. Band.

This organization, under the capable direction of Mr. Landon Walker, has developed into a well-trained and efficient musical unit. The band has also obtained many new instruments this year, a fact which adds to their joy and skill in playing.

Just watch Drum Major Roy Lookadoo strut, followed by Head Majorette Ann Belk, and Majorettes Nancy Baker, Janette Jamison, and Rochelle Morrison. Then as you listen to the stirring music of the band, you realize that all the practice and time spent in perfecting their maneuvers were well invested, for their observers derive a great deal of pleasure from it.

Adding that little extra "something" to H.H.S.'s band are the drum major, Roy Lookadoo, and majorettes Rochelle Morrison, Jeanette Jamison, and Nancy Baker, led by Ann Belk, drum majorette.

One of the most outstanding organizations at H.H.S. is the Chorus. Because this group finds an appreciative audience at every appearance, its reputation has spread through surrounding towns. It might be said that the group has a three-fold purpose: instruction for its members, good fellowship, and entertainment for the entire community. The Chorus is a very congenial group; the boys and girls all look forward to rehearsals, which are as much fun as they are work. Under the able leadership of Mr. Landon Walker, the Hickory High Chorus has proven a great asset to the students in it, to the school, and to the community.

The pride and joy of the H.H.S. Chorus is its outstanding quartet "The Star Spots," composed of (left to right) Ervin Huffman first tenor; Dwight Robinson, second tenor; Harry Short, baritone; and Donald Bowman, bass.

The aim of the Hickory High School Key Club for 1953 is a trip for the club to the National Key Club Convention in California. The club is sponsoring several projects to raise money for the trip.

The boys in the club are an example of the way our school and community work together. They are sponsored by the local Kiwanis Club and their work is closely connected with that organization.

The Key Club provides opportunity for leaders and potential leaders to develop their initiative and talents as they undertake a program similar to that of the Kiwanis Club. By the example of the Kiwanians the Key Clubbers learn of their prospective roles in adult life and the meaning of active aggressive citizenship so necessary for the maintenance of our democratic way of life.

A prophet once warned Caesar, "Beware the Ides of March." These hardworking Latin II students might say the same, but with a little variation, "Beware Latin."

Latin does have a more cheerful side, however, that being in the form of the Latin Club. Monthly meetings are held by the club's two chapters and the programs are usually based on showing how the Latin language and customs are related to our modern world.

The club's purpose is "to make ancient Latin modern, to bring Latin in general up to date, to prove that it is not a dead language but living in nearly every word spoken and everything done."

Members of this club assist with all the work in the library. Four students are "on duty" each period, and the assignments are shifted each week so that members become acquainted with every phase of library work.

Activities outside their duties have included a dance held at the Community Center in October, attendance at the District Meeting of School Librarians held at Granite Falls in November, and an Assembly Program in January.

The club holds meetings twice a month and has through its work, its social interests, and its fellowship, become a close-knit group giving fine service to the school.

Organized in Hickory High School only this fall, the [illegible] chapter of the Future Teachers of America club is composed of students who have chosen teaching as their future occupation. The purpose of the club is to help future teachers learn about the opportunities in teaching, to cultivate qualities essential to a good teacher, to study the lives of great educators and teachers, and to develop student leadership.

The projects adopted by the club include training all club members to operate the movie projector, the slide and filmstrip projectors, and the mimeograph machine; and providing student hosts and hostesses to greet and direct visitors during school hours.

Oh, it's not so long from May to September! And there's only one way to keep a cool head after a hard day's work—dash out at the first sign of the 3:15 bell and head for a tall, cold milk shake. (The means of transportation in this case, being Roy Lookadoo's T Model. It isn't guaranteed to make the whole trip, but it'll shorten the distance.)

"We wish you a Merry Christmas and a Happy New Year." Not only the words, but also the bright melody of this song have made it a favorite of the Hickory High Chorus members, as well as other students and teachers. The song is one of the most requested and most enjoyed when the holiday season rolls around and the chorus members serenade H.H.S. with Christmas carols.

After dancing for hours in those high heels, Gail Dunkak has a perfect right to rest her feet, but that doesn't stop her recalling the wonderful time she and Vernie Deal had dancing together. And where is the person who will ever forget dancing under twinkling silver stars in an atmosphere of other-worldliness that was the final, magnificent result of weeks of work for the Juniors?

The reward of four years' work—graduation and a busy week of festivities. [illegible] gowns, final tests, the baccalaureate sermon, the Senior edition of the *Twig*, the [illegible] hour of sleep during Senior Week, the Senior party, the Senior play, exchanging [illegible] cards, sending out invitations [illegible] graduation exercises with all [illegible] These things are [illegible] of our last few [illegible] we'll always remember.

THE LIFE THEY SAVE MAY BE THEIR OWN

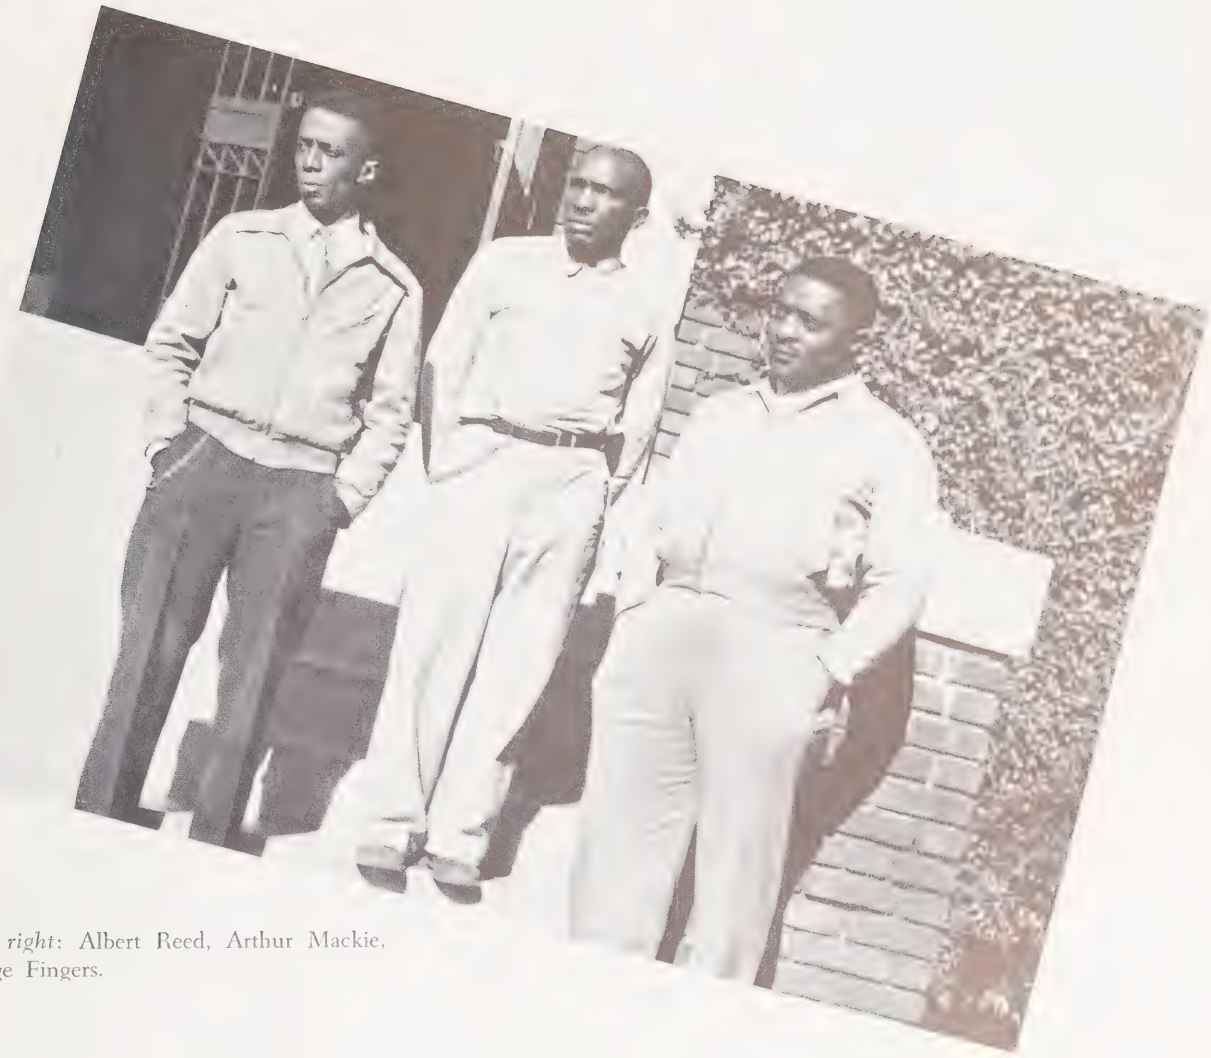

First row: Barbara Shook, Neil Bolick, Leonard Godfrey, and Everett Price.

Second row: Horace Huffman, Harold Poovey, Bill Phillips, Bobby Dale.

The many students who ride the school buses each day owe a great deal to the group of Hickory High students who serve as bus drivers. This is truly one of the hardest and most responsible jobs at H.H.S. The students who serve must have a state drivers' license, previous driving experience, some mechanical ability, and the ability to think clearly and to act quickly under any circumstances. Indeed, these students are more than just drivers, for they are responsible for the welfare of each pupil in their care; and, therefore, each passenger, whether an elementary, junior high, or high school student, owes his bus driver a vote of thanks for the excellent job they are doing.

"CLEANLINESS IS A GREAT VIRTUE"

Left to right: Albert Reed, Arthur Mackie, and George Fingers.

Going to school in a clean building surrounded by clean grounds is a pleasure which sometimes goes unnoticed by Hickory High students. There is a lot of work to keeping things in such apple-pie order, and George Fingers, Arthur Mackie, and Albert Reed are always busy doing just that.

Arthur has charge of the grounds around H.H.S., and when the leaves are falling or the grass is growing, he has his hands full. Albert and George are in charge of the building. Their jobs include, among other things, sweeping the halls and stairways, emptying wastebaskets, driving the activity bus, and unlocking doors for teachers who lock their keys in their rooms.

Just

a chip off the old block!

When you talked about all the things you used to do in high school, Mom and Dad, did you ever think I really listened? You told me about the winning touchdown you made in the last five seconds, Dad, and you, Mom, told me how proud you were to be chosen captain of the girls' basketball team.

It made me want to be like you and to do the same things you did just to make you proud of me. And now, when I'm out on the field and you're watching, I remember you were once my age, doing and enjoying the things I'm doing now.

FOR THE LOVE OF THE GAME

Cheers and yells give zest to every athletic contest. Cheerleaders at Hickory High raise this display of school enthusiasm to its peppiest best. Led by Barbara Newton, head cheerleader, six vigorous damsels draw out the yelling and guided cheers that spark our teams to victory, or if not to victory, help console their occasional defeats.

Tryouts are held at the last of each year, with the exception of the Sophomores, whose elections are held at the first of the year, when the cheerleaders are chosen by their classmates.

Cheerleaders have lots of fun even though long hours go into practice to improve their skill.

Left to right: Doris Terry, Sophia Burns, Barbara Newton, *Head Cheerleader;* Ann Bowman, Effie Duncan, Janice Robinson.

Left to right: Coach Bob Mitten, Coach Frank Barger, and Coach Gene Miller.

MEN OF DISTINCTION

The sparkplugs of the H.H.S. teams are Coach Bob Mitten of the football, track, and junior varsity basketball teams; Coach Frank Barger of the football, girls' basketball, and baseball teams; and Coach Gene Miller of the football and boys' basketball teams. This trio of men are very capable and experienced in all phases of sports having participated in them during their own high school and college days. As coaches and as friends, these three have endeared themselves to every H.H.S. student.

In the background Dyke Little, number 20, swivel-hips his way through the Marion team for 46 yards and a touchdown, too.

Speedy John Parker, surrounded by a host of determined Hilltoppers, dashes to one of his three TD's that put the score H.H.S. 24—Rutherfordton 12.

TORNADOES END SEASON WITH 5-5 RECORD

VALDESE ROLLS TO 25-12 WIN

The strong Valdese Tigers of the Highland Conference rolled to a 25-12 win in Hickory's first game of the 1952 grid season. Joe Temple and Bob Williams were too much for the H.H.S. defense, as they reeled off good size gains time after time. John Parker cut off tackle for 25 yards and Dyke Little threw a 35 yard pass to Jerry Frye for Hickory's only scores. Williams had two of Valdese's scores.

H.H.S. TAKES 6-0 WIN IN MUD

The Tornadoes took their first win of the season in deep mud at Belmont as Dyke Little passed to Jerry Frye 23 yards in the first period for the only score. After that the field was so torn up by the action of the players, that neither team could move the ball very well. Hume Collins, Vernie Deal, and Johnny James were outstanding on defense for Hickory High.

LIONS ROAR OVER H.H.S. 19-7

A powerhouse by the name of Will Rogers, Shelby fullback, spelled defeat for H.H.S. in its third game of the season, as he tore the Hickory line to shreds with his vicious plunges. He cut off tackle on Shelby's first play from scrimmage and trucked 54 yards to put H.H.S. behind in the first period. They never got back in the game, although they did score once as Little hit Hume Collins with a short pass over center late in the first period.

H.H.S. TAKES NON-CONFERENCE WIN

Spencer of the South Piedmont Conference fell before an inspired H.H.S. eleven on College Field as the Tornadoes put on their best performance up to that time. Dyke Little got H.H.S. off to a good start in the first period by passing to Vernie Deal for 32 yards and a TD. Minutes later, H.H.S. recovered a fumble, and Donald Hefner slashed off left tackle and covered 28 yards for a score. No one scored again until late in the third period when Hume Collins intercepted a Spencer pass on the eight yard line and scooted 92 yards for a score. The final score was H.H.S. 20, Spencer 0.

BEARCATS COME BACK TO WIN

Lenoir's Bearcats came back in the second half at College Field to take a thrilling 25-19 win over H.H.S. The Tornadoes led at the end of the half 12-6 and had been playing brilliant ball, but speedy halfbacks A. G. Jonas and Willie Lefevers were too much for the weary H.H.S. defenders in the second half and sparked the Lenoir team to a win. Donald Hefner scored H.H.S.'s first touchdown on a five yard line plunge, while Little passed to Frye for the other first-half score. H.H.S. added its last score in the closing seconds as Little passed seven yards to John Parker.

FUMBLES HURT H.H.S. AT MARION

Fumbles proved costly to Hickory as the Tornadoes dropped their fourth game in six tries to the Marion Rippers 18-13 at Marion. Micky Poteat got the Rippers off to a good start as he ran 64 yards on the opening play. Minutes later, the Rippers scored again to lead 12-0. Hickory came back in the second quarter as Frye plunged ten yards to score, and in the third quarter, H.H.S. went ahead 13-12 as Dyke Little made a beautiful 46 yard run through the whole Marion team, and Collins converted. Marion scored again in the fourth period to win, however.

H.H.S. TAKES HOMECOMING THRILLER

With Dyke Little sparking the attack the Red Tornadoes took a thrilling 14-7 Homecoming win over the Cherryville Ironmen on College Field. H.H.S. scored in the second period on a pass from Little to Jerry Frye, but Cherryville soon tied it up. The teams battled until, with only thirty seconds to go, John Parker intercepted a Cherryville pass on the thirty. Seconds later, Dyke Little again hit Frye for a TD and H.H.S. won 14-7. The win gave the Tornadoes a 3-4 record.

TORNADOES UPSET NEWTON

H.H.S. played what was probably its best game of the season on College Field as they racked up the undefeated Newton Red Devils 12-7 in a major upset. A huge crowd saw Hickory outplay the Red Devils, limiting them to less than fifty yards on the ground. The whole H.H.S. line played brilliant defensive ball, with Little and Frye scoring.

H.H.S. WINS THIRD IN ROW

The Tornadoes won their third game in a row at Rutherfordton as they topped the Rutherfordton-Spindale Hilltoppers 24-12 on a freezing night. John Parker scored three times for Hickory and Jerry Frye once. The Tornadoes sewed up the win with two fourth-period scores. Bob Dale, Norman Punch, and Hume Collins led the Hickory defensive team.

TORNADOES END SEASON WITH LOSS

The Forest City Golden Tornadoes hung a 20-13 loss on the H.H.S. eleven in Hickory's final game of the season. The Forest City line put up several brilliant goal-line stands and the offensive team took advantage of every break. Forest City held a 14-0 lead early in the game, but Hickory came back in the last period to make it 14-13 as Frye and Little scored on the ground. However, with two minutes left, Thad Bostic ran 48 yards to sew up the Forest City win.

Looks like he might make it again, but it'll be close!

What happens when an irresistible force meets an immovable object?

What a team never sees, but what leads them on

TORNADOES WIN OPENER

Going after their fourth Conference title in five years, the Tornadoes topped Belmont 14-7 in the opening game. Shirley pitched for H.H.S., and Buff got three hits.

H.H.S. TOPS MORGANTON 8-6

H.H.S. took its second win by topping Morganton on home ground, 8-6. Baird and Bumgarner shared the pitching chores. Little and Gaines had two hits for Hickory.

RIPPERS STOP H.H.S. 5-1

Marion's Dilliard handed H.H.S. its first defeat of the year at Marion in taking a 5-1 win. Whisnant came up with a brilliant barehanded catch that proved to be the fielding gem of the year.

GAINES HITS HOMER IN 10-7 WIN

With Gaines hitting a home run and Frye stealing four bases, the Tornadoes got back on the victory road with a 10-7 win over Cherryville. Shirley gave up eight hits, while Frye and Little got two hits each.

MARION TAKES H.H.S. AGAIN 11-1

Marion's Rippers took their second win over H.H.S. as Alvin Owensby allowed the Tornadoes only six hits. Coach Barger used three pitchers in the game but was unable to stop the Marion hitters.

SHIRLEY LOSES PITCHERS' DUEL

Shirley and Belmont's Stowe engaged in a tight pitchers' duel at Belmont with Stowe coming out on top, 6-2. Shirley gave up only three hits but walked nine, and errors hurt him.

H.H.S. WINS SLUGFEST 15-14

In their first night game of the season, the Tornadoes outhit Lenoir's Bearcats 15-14 to take their fourth win against three losses. Gaines and Frye both had four hits for Hickory.

THE GAME

BUFF GETS FOUR HITS

With Buff pounding out four hits, the Tornadoes topped Cherryville 11-5. Shirley hurled for H.H.S. giving up only five hits. H.H.S. got 13 hits off a procession of Cherryville pitchers.

HURLER FANS 20 H.H.S. BATTERS

Romeo Morrow of Forest City fanned twenty H.H.S. batsmen at Forest City, but Hickory won 14-9. Bob Dellinger had five hits in six trips for H.H.S., while Casey Crider was credited with the win.

GAINES PITCHES 8-2 VICTORY

Coming in from his regular shortstop position, Gaines took the mound at Lenoir and pitched H.H.S. to an 8-2 win. Frye had three for five including two doubles to lead Hickory at the plate.

ISAAC FANS 25 IN THREE-HITTER

Southpaw Hom Isaac of Newton-Conover ended Hickory's hitting streak on College Field as he fanned 25 batters for a 7-1 victory. Whisnant, Dellinger, and Little had Hickory's only hits.

COLBERT HURLS TIGHT WIN

Colbert hurled five-hit ball and scored the winning run in the ninth inning as H.H.S. took a close 3-2 win. Little's squeeze bunt scored Colbert from third, who then retired the side in the last of the ninth.

H.H.S. TOPS ISAAC 2-0

Taking his second win in two starts, Colbert got revenge for H.H.S. as he took a 2-0 win over Newton's Hom Isaac, giving up only three hits. Gaines and Bumgarner each had two bingles for Hickory, and Frye a triple.

FOREST CITY FORFEITS GAME

Forest City forfeited its final game to H.H.S. to bring Hickory's record to 10-4, putting the Tornadoes in second place behind Newton with a 10-2 mark. Later Marion's two games over H.H.S. were given to Hickory because of an ineligible player, making H.H.S. co-champs of the Conference.

Thanks again for the nylons and the slippers, Mom—for the car, the advance on my allowance, and the corsage, Dad—because I was too excited to tell you how I felt the night of the big dance. It's funny how much we depend upon you when something big comes up—and how little we show the appreciation that is in our hearts.

I saw you brush away a tear, Mom. Were you happy to see us grown up and yet sad to realize how time had flown? Did you feel seventeen again as you watched us glide, poised and confident, under the gay crepe streamers and brilliant stars?

Miss Hickory High

Carolyn Nance of the senior class has, during the past year, been selected for three of the highest honors of Hickory High. She was chosen Miss Hickory High of 1952-53 by the H.H.S. students last fall, Hickory High School Carrousel Princess at the Charlotte Christmas Festival by the senior class, and 1952 Hickory High Beauty Queen by comedians Dean Martin and Jerry Lewis. Carolyn, who was also chosen Best Looking by the senior class, belongs to the Alpha Tri-Hi-Y, Log Editorial Staff, Beta Club, Quill and Scroll, Pep Club, and Sub-Junior Woman's Club.

BEST CITIZENS

Outstanding in many phases of school are Sue Newton and Ervin Huffman, Hickory High's Best Citizens. This position of honor was given to Sue and Ervin by the senior class in appreciation of the work they have done to make H.H.S. a better school.

Sue is a member of the Alpha Tri-Hi-Y, Beta Club, Future Teachers of America, Sub-Junior Woman's Club, president of the Student Council, and winner of the D.A.R. Citizen Award.

Ervin Huffman is a member of the Key Club, Quill and Scroll DeMolay, Hi-Y, Chorus, and Forensic Club. He is also business manager of the Log, president of the Beta Club and the Home Room Representatives, and Co-Editor of the Quill and Scroll radio program.

Working TOGETHER...

Working together is the theme of the OBSERVER PRINTING HOUSE publications department. We cannot do our best work without your assistance—you cannot expect to get the best results from your efforts without willing assistance and coöperation from your printer.

★

ARTISTS AND CRAFTSMEN WORK TOGETHER IN CREATING IMPRESSIVE AND LASTING RECORDS OF YOUR YEARS IN SCHOOL—

OBSERVER
PRINTING HOUSE
CHARLOTTE, N. C.

OUR PROUDEST DAY

It's kind of nice to know that when I was born you expected me to be President. You had such faith and high hopes for me that I almost hate to become anything else.

Your dreams of my becoming President were just another way of wishing the best in life for me—just another way of saying that you wanted me to be a credit to you, to my family, to my God, and to myself. Now I am finishing school, and in a short time I will be taking my place in the adult world. I'll try my best to lead the kind of life which will keep you proud of me
